NOTE: Seminar sites may change based on weather. Please note that food and/or drink are prohibited in the chapel.

For those who have attended the rally in the past: The Pavilion referenced on the schedule this year is the structure near the pool on the east side of the lake. The tent used in previous years was damaged and the campground is not planning to replace it.

ECR Bingo: Bring one bagged or wrapped gift per couple (so as not to be seen) valued at ~\$20 for prizes. Play until all prizes gone. Every couple that brought a prize will go home with a prize.

Happy Hours are NOT a scheduled rally event but are a great place to meet and hang out with folks! Bring a snack to share.
